

Monroe Class of '69

Bereavement Fund

The amount of **\$75 a year** is assessed to let you know we care about you during the loss of your loved one (which includes classmate, spouse, parents, and classmates' children). Unfortunately, we have had to use this fund already. We appreciate all of you who have paid your \$75 already. We hope we will not have to use Bereavement Fund again for a long time, but it isn't our decision. This amount can be paid one of *four* ways: (1) Weekly, (2) Bi-weekly, (3) Monthly, or (4) all at one time.

Reunions Dues

Reunion dues will cover all expenses to have a two-day event annually. A venue has been identified for Friday, June 20, and Saturday, June 21, 2014. The reunion dues that are being assessed are **\$20 a month per classmate**. To make sure everyone has a wonderful reunion, these dues will cover all associated costs for the annual two-day event. Reunion dues can also be paid quarterly or paid in full. (***NO ADDITIONAL MONEY WILL BE REQUESTED.***)

Start Date

Not only will a record be kept of the amount of monies received, but also a record will be kept of which of the *two funds* should be applied—(1) bereavement and/or (2) dues. When mailing your personal check or money order, please send along a note indicating which one of the two funds that an amount should be applied to. In your note, add a **Subject** line and simply key in or write “**Bereavement**” or “**Dues**” on right side of the **Subject** line so our Finance Committee will know how your submitted amount is to be applied.

To better plan the two-day event, we will need the monies to start coming by the end of **August, 2013**. So the first submission is due by the end of **August, 2013**.

Q&As

If you have **questions** or need additional **information** regarding the above, please use contact information given below to communicate your concerns to either Audrey or Betty:

Audrey Brightman
(813) 340-6557
a.brightman@live.com

Betty Wilson Wright
(321) 591-4718
